

C4 – VIDEO EVIDENCE SHEET

Strong Job Market vs Worker Instability

This sheet provides official video links where federal leaders claim the job market is “strong,” “historic,” or “delivering for families.”

I. JEROME POWELL – “LABOR MARKET IS EXTREMELY TIGHT”

Link: <https://www.c-span.org/video/?520268-1/federal-reserve-chair-jerome-powell-news-conference>

Summary: Powell cites labor market strength as proof of economic resilience, despite declines in real wages.

II. VICE PRESIDENT HARRIS / WHITE HOUSE – “HISTORIC JOB CREATION”

Link: https://www.youtube.com/watch?v=1xW7v9v7v_g

Summary: Administration frames record job creation as evidence of worker success, despite instability.

III. PRESS SECRETARY KARINE JEAN-PIERRE – “WAGES ARE RISING”

Link: https://www.youtube.com/watch?v=p4v5e6_l9_w

Summary: Claims rising wages even as inflation cancels out real wage gains.

IV. TREASURY SECRETARY YELLEN – “STRONGEST LABOR MARKET IN 50 YEARS”

Link: <https://www.c-span.org/video/?520779-1/treasury-secretary-yellen-testifies-presidents-2023-budget-request>

Summary: Describes recovery as historic while multiple jobholding increases.
