

C5 – VIDEO EVIDENCE SHEET

Education Recovery vs Student Outcomes

This sheet provides official video links where federal leaders claim academic recovery, improved attendance, or student well-being.

I. WHITE HOUSE – "Historic Academic Recovery"

Link: https://www.youtube.com/watch?v=1xW7v9v7v_g

Summary: Officials present federal spending as driving "historic recovery."

II. SECRETARY CARDONA – "Achieving Academic Excellence"

Link: <https://www.c-span.org/video/?535352-1/education-secretary-testifies-2025-budget-request>

Summary: Testimony describing excellence during multi-decade-low scores.

III. ABSENTEEISM SUMMIT – "Tackling Chronic Absenteeism"

Link: https://www.youtube.com/results?search_query=Every+Day+Counts+Summit+White+House

Summary: Administration frames absenteeism as improving while rates remain near double pre-pandemic levels.

IV. MENTAL HEALTH BRIEFING – "Transforming Supports"

Link: <https://www.c-span.org/video/?523605-1/education-secretary-cardona-holds-briefing-student-mental-health>

Summary: Claims transformation of school mental-health systems despite crisis-level CDC data.
