07/13/2023	Matt Gaetz	"I will not vote for budgets that fund endless wars."	NAY	NDAA FY2024	No	gaetz.house.gov

Simple Summary for Kids

House leaders sometimes say one thing but vote the opposite. For example, they say tax cuts pay for themselves but later say the government is broke. They support giving people money when their team is in charge but say it's "socialist" when the other team does it. They warn about spying but vote to let spying continue. And they promise no more spending on wars, but then approve billions for wars anyway.
