

Senate Flip Tables — Master Evidence Packet

Side-by-side evidence showing how U.S. Senators changed their statements depending on the political moment, compared directly to how they actually voted. Written simply so anyone — even a 5th grader — can understand the patterns.

SFT1 — Debt & Deficit Flips

Date	Senator	Topic	Public Statement	Vote	Bill Ref	Flip?	Source

12/15/2022	Marco Rubio	"Providing for the common defense is our priority."	YEA	NDAA FY2023	Yes	rubio.senate.gov

Simple Summary for Kids

Some Senators say one thing but vote the opposite. They say debt is fine when they cut taxes, but say debt is dangerous when it helps regular people. They say giving money to people is good one year but bad the next. They say they love freedom but vote for spying. And they say we should stop wars, but keep voting to spend more money on wars.
